SAI International felicitates the Safai Sevaks

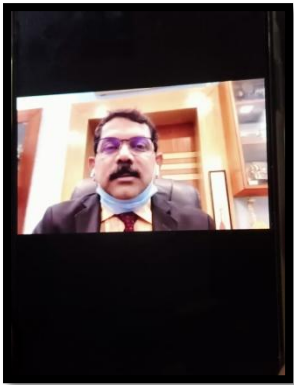

To acknowledge and appreciate the commendable work of the Safai Sevaks during COVID 19 pandemic, SAI International recognised these front line workers on Saturday, April 25, 2020. The Safai Sevaks have been working relentlessly and dedicatedly from doorstep collection of waste to sweeping each and every corner of the street, undeterred by the fear of infection.

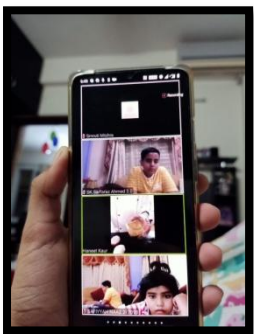

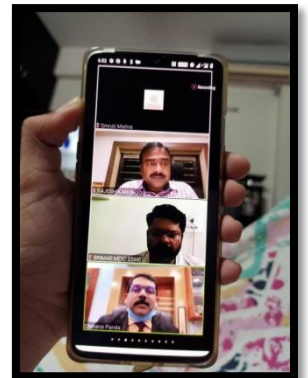

SAI International family feels privileged to have gifted a towel each, along with dry food items like flattened rice, sugar, semolina, biscuits and Dettol soap to more than 70 Safai Sevaks of Ward No 6. We humbly salute the services rendered by our BMC Safai Sevaks.

Expert Sessions during the Pandemic:

An Online Expert Session was held for parents on Sunday April 26, 2020, where Prof. Jayanta Kumar Panda, Professor Medicine, SCB Medical College, Cuttack and Nodal Officer Training (Critical Care) COVID 19, Government of Odisha, spoke on COVID 19 and its Remedies.

In another expert session Chef Tapan from World Baker, Pal Heights took a session on healthy baking. The parents and students watched it keenly and also tried their hands on baking themselves at home.
